Key of C

Verse 1:

I found my love, by the gas works croft
Dreamed a dream, by the old canal
Kissed my girl, by the factory wall
Dirty old town, dirty old town

Verse 2:

Heard a siren from the docks
saw a train set the night on fire
I smelled the Spring on the Salford wind
Dirty old town, dirty old town

Verse 3:

Clouds are drifting across the moon
Cats are prowling on their beats
Springs a girl in the street at night

Dirty old town, dirty old town

Verse 4:

I'm going to make a good sharp axe
shining steel tempered in the fire

I'll chop you down like an old dead tree
Dirty old town, dirty old town

Verse 5:

I found my love, by the gas works croft
Dreamed a dream, by the old canal

Kissed my girl, by the factory wall
Dirty old town, dirty old town
Dirty old town, dirty old town
