D Dmaj7 G
I'm sailing down the summer wind
D A7
I got whiskers on my chin
G D
And I like the mood I'm in
G
As I while away the time of day
D A7 A7
In the lee of Christian Island

D Dmaj7 G
Tall and strong she dips and reels
D A7
I call her Silver Heels
G D
And she tells me how she feels
G
She's a good old boat and she'll stay afloat
D A7 A7
Through the toughest gales and keep smilin'
D G
But for one more day she would like to stay
A7 D
In the lee of Christian Island

D Dmaj7 G
I'm sailing down the summer day
D A7
Where the fish and seagulls play
G D
I put my troubles all away
G
And when the gales comes up I'll fill my cup
D A7 A7
With the whiskey of the Highlands
D G
She's a good old ship and she'll make the trip
A7 D D
From the lee of Christian Island

Dmaj7 G
Tall and strong she slips along
D A7
I sing for her a song
G D
And she leans into the wind
G
She's a good old boat and she'll stay afloat
D A7 A7
Through the toughest gales and keep smilin'
D G
When the summer ends we will rest again
A7 D Dmaj7 D Dmaj7 D
In the lee of Christian Island
