 Here on Gilligan's Isle

So this is the tale of our castaways, they're here for a long long time

They'll have to make the best of things, it is an uphill climb

The first mate and his skipper too will do their very best

To make the others comfortable in the tropic island nest

No phone, no lights, no motor cars, not a single luxury

Just like Robinson Crusoe, it's primitive as can be

So join us here each week my friend, you're sure to get a smile

From seven stranded castaways, here on Gilligan's Isle
