

# On Moonlight Bay

Key of C

Tacet                    C  
We were sailing along,  
      F                    C  
on Moonlight Bay

                                  G7  
We could hear the voices ringing  
                                  C  
They seemed to say,

Tacet                    C  
"You have stolen my heart,  
      F                    C  
now don't go 'way."  
          Dm                                    G7  
As we sang love's old sweet song  
                          C F C  
on Moonlight Bay.

**Sing song through  
twice**
