Well it's all right, riding around in the breeze

Well it's all right, if you live the life you please

Well it's all right, doing the best you can  
C G C C  
Well it's all right, as long as you lend a hand

F C C  
You can sit around and wait for the phone to ring  
F C C  
Waiting for someone to tell you everything  
F C C  
Sit around and wonder what tomorrow will bring  
G  
Maybe a diamond ring

C G F  
Well it's all right, even if they say you're wrong  
C G C  
Well it's all right, sometimes you gotta be strong  
C G F  
Well it's all right, as long as you got somewhere to lay

Well it's all right, every day is just one day

Maybe somewhere down the road away

You'll think of me, and wonder where I am these days

Maybe somewhere down the road when somebody plays

Purple haze

Well it's all right, even when push comes to shove

Well it's all right, if you got someone to love

Well it's all right, everything'll work out fine

Well it's all right, we're going to the end of the line

Don't have to be ashamed of the car I drive

I'm just glad to be here, happy to be alive

It don't matter if you're by my side

I'm satisfied

Well it's all right, even if you're old and grey

Well it's all right, you still got something to say

Well it's all right, remember to live and let live  
Well it's all right, the best you can do is forgive

Well it's all right, riding around in the breeze  
Well it's all right, if you live the life you please  
Well it's all right, even if the sun don't shine  
Well it's all right, were going to the end of the line
