Woke up it was a Chelsea morning

And the first thing that I heard

Was a song outside my window

And the traffic wrote the words

G

It came ringing up like Christmas bells

G

And rapping up like pipes and drums

TACET

Oh, won't you stay? We'll put on the day

Dsus4/F

D

And we'll wear it till the night comes

Dsus4/F

Woke up it was a Chelsea morning

D

Dsus4/F

And the first thing that I saw

G

D

Was the sun through yellow curtains

And a rainbow on the wall
Red, green and gold to welcome you
Crimson crystal beads to beckon
Oh, won't you stay? We'll put on the day
There's a sun show every second

Now the curtain opens on a portrait of today
And the streets are paved with passers by
And pigeons fly and papers lie
Waiting to blow away

Woke up it was a Chelsea morning
And the first thing that I knew
There was milk and toast and honey
And a bowl of oranges too
And the sun poured in like butterscotch
And stuck to all my senses
Oh, won't you stay? We'll put on the day
And we'll talk in present tenses

G D G D
When the curtain closes and the rainbow runs away

G Dmaj7
I will bring you incense owls by night

G Dmaj7
By candle light, by jewel light

G Asus Asus
If only you will stay

Pretty baby won't you
