

You've Got a Friend

Carole King

Key of Em

INTRO Em /// Em ///

When you're **Em** down and **B7** troubled
 And you **Em //** need some **B7 //** love and **Em** care
 And **Am7** nothing, **D** nothing is going **G** right **G**
 Close your eyes and **F#m** think of me **B7**
 And soon I will be there **Em //** **B7 //** **Em**
 To **Am7** brighten up **Bm7** even your darkest **Am7** night **D**

G
 You just call out my **Gmaj7** name

And you know, wherever I am,
I'll come running to see you a gain
Winter spring summer or fall
All you got to do is call
And I'll be there, yes I will
You've got a friend

If the sky above you
Grows dark and full of clouds
and that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking
At your door

You just call out my name
And you know, wherever I am,
I'll come running to see you a gain
Winter spring summer or fall
All you got to do is call
And I'll be there, yes I will

You've got a friend

Now ain't it good to know that you've got a friend

When people can be so cold

They'll hurt you, yes and desert you

And take your soul if you let them

Ah, but don't you let them

You just call out my name

And you know, wherever I am,

I'll come running to see you again

Winter spring summer or fall

All you got to do is call

And I'll be there, yes I will

You've got a friend
