

Won't Be Long

Aretha Franklin

INTRO: C /// C ///

Baby, here I ^C am, by the railroad track
Waiting for my ^F baby, he's coming ^C back
Coming back to ^G me, on the ^F 503
And I won't be ^C long, no, I won't be long

I get so ^C lonesome, since the man has been gone
There ain't a thing worth ^F mentioning
Nothing been a-going ^C on
And that's why I ^G know, when the whistle ^F blows
Yeah, that I won't be ^C long, no, no, I won't be long ^C

Z Chord Mute all strings and keep the rhythm going
My daddy told me, when he said goodbye, yes, he did
"I'll be back, baby
Baby by and by"
And that's why I waited, so doggone long, yeah
Can't you see how happy I am

Because the man is a-coming home

So now, here I ^C be, by the railroad track

Oh, waiting for my ^F baby, he's coming ^C back

Coming back to ^G me, on the ^F 503

Yeah, and I won't be ^C long, no, no, I won't be long

I ain't had no ^C loving, since you know when

He's a long gone ^F rooster, and I'm a lonesome ^C hen

And that's a why I ^G shout, when the whistle ^F blows

Baby that I won't be ^C long, ,no, no I won't be long

Z Chord Mute all strings and keep the rhythm going

I'm so excited, my knees are shakin yeah

Waiting for my ^F baby, he's coming ^C back

Coming back to ^G me, Lord, on the ^F 503
