Verse 1:

Well, you're walkin' through a city street
You could be in Peru
And you hear a distant calling
And you know it's meant for you
And you drop what you were doing
And you join the merry mob
And before you know just where you are
You're in an Irish pub

Chorus:

They've got one in Honolulu
They've got one in Moscow too
They got four of them in Sydney
And a couple in Kathmandu

Am
So whether you sing or pull a pint
C G
You'll always have a job
Am
'Cause wherever you go around the world
G Am
You'll find an Irish pub

'Cause wherever you go around the world
G Am
You'll find an Irish pub
