**C**

You can tell the world, you know there was no girl

**G7**

You can burn my clothes when I am gone

Or you can tell your friends just what a fool I've been

**C**

And laugh and joke about me on the phone

**C**

You can tell my arms, go back into the farm

**G7**

You can tell my feet to hit the floor

Or you can tell my lips to tell my fingertips

**C**

They won't be reaching out for you no more

**C**

But don't tell my heart, my achy breaky heart

**G7**

I just don't think it'd understand

And if you tell my heart, my achy breaky heart

C

He might blow up and kill this man

C

You can tell your maw I moved to Arkansas

G7

You can tell your dog that bit my leg

Or tell your brother Cliff who's fist can tell my lip

C

He never really liked me any-way

C

Go tell your aunt Louise tell anything you please

G7

Myself already knows I'm not okay

Or you can tell my eye, watch out for my mind

C

It might be walkin' out on me one day

There's a storm across the valley, clouds are rolling in  
The afternoon is heavy on your shoulders  
There's a truck out on the four lane,  
A mile or more away  
The whining of his wheels just makes it colder

## Verse 2:
