## Verse 1:

**C** **F**  
If you ask any girl from the parish around  
**G7** **C**  
What pleases her most from her head to her toes  
**F**  
She'll say I'm not sure that it's business of yours  
**G7** **C**  
But I do like to waltz with a log driver

## CHORUS:

**G7** **C** **F**  
For he goes birling down, a-down the white water  
**C** **G7**  
That's where the log driver learns to step lightly  
**C** **F** **C**  
Birling down, down the white water  
**G7** **C**  
A log driver's waltz pleases girls completely

## Verse 2:

**F**  
When the drive's nearly over I like to go down  
**G7** **C**  
To see all the lads as they work on the river  
**F**  
I know that come evening I'll be in the town

**G7** **C**  
And we all want to waltz with a log driver

**CHORUS:**

**G7** **C** **F** **C**  
For he goes birling down, a-down the white water

That's where the log driver learns to step lightly

Birling down, down the white water

**G7** **C**  
A log driver's waltz pleases girls completely

**Verse 3:**

**F**  
To please both my parents I've had to give way  
**G7** **C**  
And dance with the doctors and merchants and lawyers

**F**  
Their manners are fine but their feet are of clay

**G7** **C**  
And there's none with the style of a log driver

**CHORUS:**

**G7** **C** **F** **C**  
For he goes birling down, a-down the white water

**G7**  
That's where the log driver learns to step lightly

**C** **F** **C**  
Birling down, down the white water

**G7** **C**  
A log driver's waltz pleases girls completely

**Verse 4:**

**F**  
Now I've had my chances with all sorts of men

**G7** **C**  
There's none is so fine as my lad on the river

**F**  
And when the drive's over, if he asks me again

**G7** **C**  
I think I will marry my log driver

**CHORUS:**

**G7** **C** **F** **C**  
For he goes birling down, a-down the white water

And he tried to touch the sun  
And he lost a friend but kept the memory
