Key of D

Buck Owens and the Buckaroos

4/4 time Strum: d-dududu

INTRO: D // // // D ↓ Tacet

Verse 1:

Woke up this morning, happy as could be
Looked out my window and what did I see?
A-comin' up my sidewalk, just as plain as day
A-well-a here come trouble that I never thought I'd see
When you went away

CHORUS:

Hello trouble, come on in
You talk about heartaches, where the world you been?
I ain't had the miseries since you been gone
Hello trouble, trouble trouble, welcome home

Verse 2:

We'll make a pot of coffee, and you can rest your shoes
And you can tell me those sweet lies and I'll listen to you

Well, I'm just a little part of, all the life you've lived
But I'd rather have a little bit of trouble
Than to never know the love you give

CHORUS:

Hello trouble, come on in
You talk about heartaches, where the world you been?
I ain't had the miseries since you been gone
Hello trouble, trouble trouble, welcome home

Verse 1:

Asus4 **Em**
The legend lives on from the Chippewa on down
G **D** **Asus4** **Asus4**
Of the big lake they called "Gitche Gumee"
Em
The lake, it is said, never gives up her dead
G **D** **Asus4** **Asus4**
When the skies of November turn gloomy
Em
With a load of iron ore twenty-six thousand tons more
G **D** **Asus4** **Asus4**
Than the Edmund Fitzgerald weighed empty
Em
That good ship and crew was a bone to be chewed
G **D** **Asus4** **Asus4**
When the "Gales of November" came early

Verse 2:

Em
The ship was the pride of the American side
G **D** **Asus4**
Coming back from some mill in Wisconsin
Em
As the big freighters go, it was bigger than most
G **D** **Asus4**
With a crew and good captain well seasoned

Concluding some terms with a couple of steel firms

When they left fully loaded for Cleveland

And later that night when the ship's bell rang

Could it be the north wind they'd been feelin'?

Em /// Em /// D /// D /// Asus4 /// Asus4 /// Asus4 /// Asus4 ///

Verse 3:

The wind in the wires made a tattle-tale sound

And a wave broke over the railing

And every man knew, as the captain did too

T'was the witch of November come stealin'

The dawn came late and the breakfast had to wait

When the Gales of November came slashin'

When afternoon came it was freezin' rain

In the face of a hurricane west wind

Em /// /// D /// /// Asus4 /// /// Asus4 /// ///

Verse 4:

When suppertime came, the old cook came on deck

Sayin', "Fellas, it's too rough to feed ya."

At seven P.M. a main hatchway caved in

He said "Fellas, it's been good t'know ya"

The captain wired in he had water comin' in
And the big ship and crew was in peril
And later that night when 'is lights went outta sight
Came the wreck of the Edmund Fitzgerald

Em /// /// D /// /// Asus4 /// /// Asus4 /// ///

Verse 5:

Does any one know where the love of God goes
When the waves turn the minutes to hours?
The searches all say they'd have made Whitefish Bay
If they'd put fifteen more miles behind her
They might have split up or they might have capsized
They may have broke deep and took water
And all that remains is the faces and the names
Of the wives and the sons and the daughters
