This weather I could almost stand  
 If the sun would shine a little brighter  
 Or even if the sun would shine at all  
 But lately it just seems to me  
 That this life has lost its mystery  
 And these cold fall mornings seem to bite

Just a little bit harder  
 And all my friends have settled down  
 Become their mothers and fathers without a sound  
 Except for Cathy  
 She bought a one way subway ticket  
 And left us all behind

**CHORUS:**

But I got a horse out in the country  
 Ahhhh yeah, I get to see him every second Sunday  
 He comes when I call  
 Yeah he knows his name
