Turning Toward the Morning

Gordon Bok

Key of G

4/4 time Strum: d- dududu

INTRO: G //// G ////

Verse 1:

When the deer has bedded down and the bear has gone to ground
And the Northern goose has wandered off to warmer bay and sound
It's so easy in the cold to feel the darkness of the year
And the heart is growing lonely for the morning

CHORUS:

Oh, my Joanie, don't you know that the stars are swinging slow
And the seas are rollin' easy as they did so long ago?
If I had a thing to give you, I would tell you one more time
That the world is always turning toward the morning

Verse 2:

When October's growing thin and November's coming home
You'll be thinking of the season and the sad things that you've seen
And you hear that old wind walkin', hear him singing high and thin

G **Am** **C** **G**
You could swear he's out there singing of your sorrow

CHORUS:

D **G**
Oh, my Joanie, don't you know that the stars are swinging slow
Am **D** **D7**
And the seas are rollin' easy as they did so long ago?
G **C**
If I had a thing to give you, I would tell you one more time
G **Am** **C** **G**
That the world is always turning toward the morning

Verse 3:

G **C**
So, the darkness falls around you and you hear the North wind blow
G **Am** **D** **D7**
And you hear him call your name out, as he walks the bitter snow
G **C**
That old wind don't mean you trouble, he don't care or even know
G **Am** **C** **G**
He's just walkin' down the darkness toward the morning

Verse 4:

C
It's a pity we don't know what the little flowers know
G **Am** **D** **D7**
They can't face the cold November, they can't take the wind and snow
G **C**
They put their glories all behind them, bow their heads and let it go
G **Am** **C** **G**
But you know they'll be there shining in the morning

CHORUS:

Oh, my Joanie, don't you know that the stars are swinging slow

4/4 time Strum: d- dududu

INTRO: C //// G7 //// C //// C ////

Verse 1:

C **G7**
Many, many years ago when I was 23
C
I was married to a widow who was pretty as can be
A7 **Dm**
This widow had a grown-up daughter who had hair of red
D7 **G7**
My father fell in love with her and soon they too were wed

Verse 2:

C **G7**
This made my dad my son-in-law and really changed my life
C
For now my daughter was my mother, 'cause she was my father's wife
A7 **Dm**
And to complicate the matter even though it brought me joy
D7 **G7**
I soon became the father of a bouncing baby boy

F //// G7 ////

Verse 3:

C **G7**
My little baby then became a brother-in-law to dad
C
And so became my uncle, though it made me very sad
A7 **Dm**
For if he were my uncle then that also made him brother
D7 **G7**
Of the widow's grown-up daughter, who was of course, my stepmother

Verse 4:

C **G7**
My father's wife then had a son who kept them on the run
C
And he became my grandchild for he was my daughter's son
A7 **Dm**
My wife is now my mother's mother and it makes me blue
D7 **G7**
Because although she is my wife, she's my grandmother too

F //// G7 ////

Verse 5:

C **G7**
Now if my wife is my grandmother, then I'm her grandchild
C

D7 **G7**
As husband of my grandmother I am my own grandpa
