## Verse 1:

I've been wheels and I've been rails  
I've been grassy roads and dusty wagon trails  
But I miss the friends that linger  
In the streets of my hometown  
If you love me, you'll believe me, tie me down

## CHORUS:

Tie me down, tie me down  
You know I never meant to play around  
And if you love me, you'll believe me  
And I'll go with you now  
But we've got to get together, tie me down

## Verse 2:

Well, I know some, yes more than one

And there's been some things I wish I'd never done

Once they branded me a devil

When I longed to be a clown

If you love me, you'll believe me, tie me down

### CHORUS:

Tie me down, tie me down

You know I never meant to play around

And if you love me, you'll believe me

And I'll go with you now

But we've got to get together, tie me down

### Bridge:

And if we swore we'd change no more

There'd be nothing that our hearts would be good for

Give this some consideration, before you turn around

If you love me, you'll believe me, tie me down
