 He'd follow on the shore line but he didn't own a boat  
                     **C**                      **C**                      **F** ↓      **G7** ↓      **C**  
 But cutbacks were a comin' so the Mountie lost his job  
                     **F**                      **C**                      **G7**                      **C**  
 And now he's sailin' with me and we call him "Salty Bob"

**Am**                      **Am**                      **Dm**                      **Dm**  
 A swinging sword, a scum 'n bones and pleasant company  
**Am**                      **Am**                      **G**                      **G**  
 I never pay my income tax and screw the GST  
**Am**                      **Am**                      **Dm**                      **Dm**  
 Prince Albert down to Saskatoon, the terror of the sea  
**Am**                      **Am**  
 If you want to reach the Co-Op boy  
**G**                      **G Tremolo**  
 You gotta get by me

 Well pirate life's appealing, but you don't just find it here  
**F**                      **C**                      **D7**                      **G7**  
 I've heard that in Alberta there's a band of buckeneers  
                     **C**                      **C**                      **F ↓**                      **G7 ↓ C**  
 They roam the Athabasca, from Smith to Fort McKay  
                     **F**                      **C**  
 And you're gonna loose your Stetson

**G7** **C**  
If you have to pass their way

**Am** **Am** **Dm** **Dm**  
Well, winter is a comin' and the chill is in the breeze  
**Am** **Am** **G** **G**  
My pirate days are over once the river starts to freeze  
**Am** **Am** **Dm** **Dm**  
I'll be back in springtime but now I have to go  
**Am** **Am**  
I hear there's lots of plundering

Down in New Mexico
